

MATLAB® & SIMULINK®

MIT | Academy of
Engineering
(An Autonomous Institute affiliated to Savitribai Phule Pune University)

PARTICIPATING IN ROBOCON 2017?

Learn how **MATLAB & Simulink** can help you win!

Topics you'll learn about:

- Modeling multi-domain components of a robot in single simulation environment
- Developing computer vision applications
- Simulating different test scenarios before creating physical prototypes
- Generating C code from simulation models

Join our Workshop at:

MIT AOE, Pune
on 17th December 2016

Vadodara Institute of Engineering, Vadodara
on 20th December 2016

SRM University, Potheri-Chennai
(2nd week of December 2016)

Prizes to be Won on competition day at Balewadi Stadium!

Use MathWorks tools to build your robot and win the title:
"Best usage of MATLAB & Simulink tools"

1st prize: 35,000 INR

2nd prize: 25,000 INR

3rd prize: 10,000 INR
