MIT Did it!

The Maharashtra Institute of Technology (MIT) Pune emerged champions at the Indian National Robocon 2010 held at Chhatrapati Krida Sankul, Balewadi, Pune, from 4th to 6th March 2010.

The first runner-up was a team from Vishwakarma Institute of Technology (VIT) Pune, while two teams from IIT Mumbai secured the third and fourth positions.

The winners MIT

47 teams from across the country took part and fielded fierce competition with tremendous zeal for three days. The contest was organised by Maharashtra Academy of Engineering (MAE), headed by Dr Y J Bhalerao under the guidance of Mr Laksmendra Chopra, Senior Director Doordarshan Mumbai, Dr Vishwanath D Karad, Founding Trustee and Dr Sunil Karad, Executive Director of MIT Group of Institutions.

12 awards were given to various teams by administrative and industry leaders and academics. This event is taking lot of momentum in India. DDI telecasted the event on Sahayadori channel (Maharashtra's official language Marathi channel) from 3-7 March.

MIT was one of the two representing teams of India when Doordarshan (DDI) and MIT hosted the ABU ROBOCON Pune in 2008 and they are looking towards ABU ROBOCON 2010 Cairo-EGYPT.
